### OUTSTANDING SUCCESS!

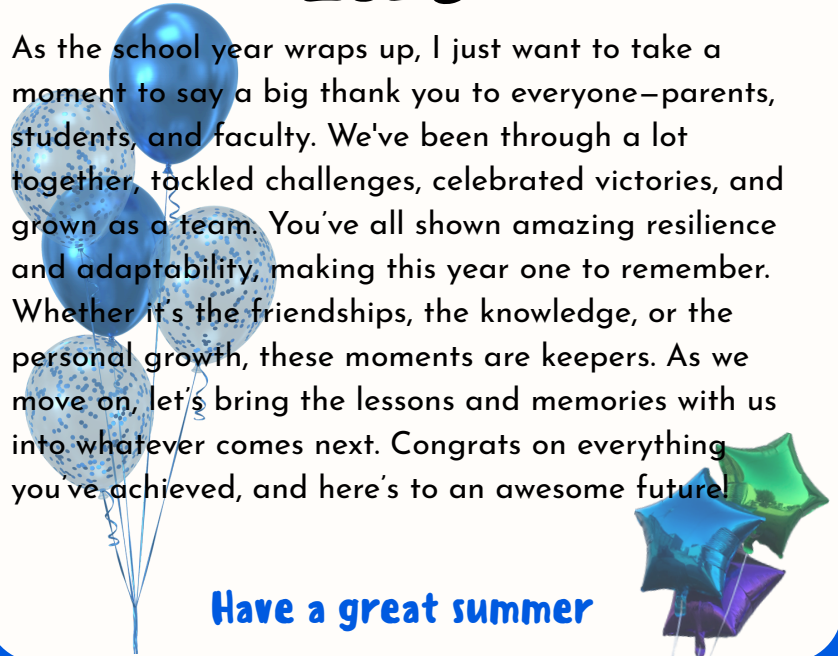

Thank you to our PAC and FSEA Foundation for organizing this event and all who attended. We are building that school bus account.

## Our Year Comes To A Close

# 2026

As the school year wraps up, I just want to take a moment to say a big thank you to everyone—parents, students, and faculty. We've been through a lot together, tackled challenges, celebrated victories, and grown as a team. You've all shown amazing resilience and adaptability, making this year one to remember. Whether it's the friendships, the knowledge, or the personal growth, these moments are keepers. As we move on, let's bring the lessons and memories with us into whatever comes next. Congrats on everything you've achieved, and here's to an awesome future!

Have a great summer
